**FOR IMMEDIATE RELEASE**

## **Del Oro Pool Moves Closer With \$25,000 Donation from Local Solar Company Energy Saving Pros**

Loomis, CA. March 26<sup>th</sup>: Local Loomis based Solar developer and installer, Energy Saving Pros donated \$25,000 to the Placer Union High School District/ Del Oro Aquatic Center. "Giving back to our community is very important and we are huge proponents of getting this pool built for Del Oro and for the community at large," shared Shad Derifield, Energy Saving Pros Chief Operating Officer. The official check presentation took place yesterday at the Del Oro Pool with Grace Kamphefner, President of 'Friends of Del Oro Pool' a local non-profit entity spearheading the fund-raising efforts. Del Oro Swim team member's on-hand were elated. "The Friends of the Del Oro Pool are so grateful to Energy Saving Pros for their generous donation of \$25,000. After four years of fundraising in a slow economy, the fund is finally approaching its budget goal. This donation will help us take another giant step forward and help us down the home stretch. We truly hope to break ground in 2015," excitedly shared Kamphefner.

Energy Saving Pros is committed to local education and making the community a better place to live and work. Based in Loomis, Energy Saving Pros offers a 'wholesale solar direct to the public' model, where they pass along their bulk buying power savings directly to schools, municipalities, ag producers, business owners and homeowners.
